

Seniors Coffee Mornings - Restart plan - PLEASE READ & RESPOND

For some time now, the team have been talking about options for restarting Seniors Coffee Mornings (on Tuesdays).

We have met with the team at The Abbey Centre, who can make their large hall available to us, and we are also going to talk with Collingtree Golf Club (Greens).

The Abbey Centre will be opening to the public in July, and we will be carefully watching the government Covid Roadmap, to ensure that we operate safely, in line with permitted gatherings.

We want to welcome back the “regulars” and we have a whole set of new members, who may also like to come along.

We do appreciate that some of us might be a bit nervous of re-joining groups. If this is your feeling, simply let us know that you would rather wait to re-join.

THE NEXT STEP:

- We need you to help us to plan.
- Please let us know if you intend to come on a regular basis.
- Once we know numbers, we can decide if we can host the whole group together OR if we need to split the group in two. We will need to abide by the legal limits, for each building.
- **IF** we split the group in to two, we will host a coffee morning EVERY week, with people still getting two coffee mornings per month.
- Please complete the form below and post it to us in the enclosed envelope – to the Parish Council Office at Hunsbury Library
